

Marco Island Yacht Club COVID-19 Response Protocols

Updated 1 Nov 2020

Operating Guidelines

- The Club is open to members, guests, and individuals participating in Banquet Events.
- Table and bar area seating is established to maintain social distancing recommendations.
- Individuals using the Club are requested to maintain social distancing when using the Club.
- Staff are required to wear masks when interacting with Members and Guests.
- Staff will clean and sanitize surfaces regularly.

Individual Responsibilities

- Individuals not feeling well or exhibiting COVID-19 like symptoms are requested to refrain from using the Club.
- All individuals will have temperature taken when entering Club.
- All individuals are requested to wear masks unless seated for dining.

Individual Responsibilities

- All individuals are requested to practice social distancing, including refraining from gathering in small groups without masks.
- All Individuals using the Club are requested to have a recently confirmed negative COVID-19 test and/or be free of symptoms for 10 days before entering Club.
- Individuals making reservations are asked to confirm their COVID-19 test and or symptom free status when making reservations.

Dining and Food Service

- All tables and bar service areas are set to maintain social distancing requirements appropriate for regular dining or special events.
- The maximum table seating will be 8 individuals, without exception.
- Members and Guests may not move tables or chairs to change pre-set seating arrangements.

Dining and Food Service

- Bar service will be tableside to minimize gathering of groups.
- Members and Guests not practicing social distancing will be reminded of Club policies.
- Reservations are requested to maintain appropriate seating and spacing requirements.

Reporting Protocols

- Any individual requesting a COVID-19 test, after having used the Club, is requested to notify the Club of their intent to test, and the outcome of the test.
- The Club will immediately notify members and guests who were seated in the immediate area of any individual that has notified the club they are being tested for COVID-19.

Reporting Protocols

- Extra cleaning and sanitizing will be done after notice of individuals being tested for COVID-19.
- The membership will be immediately advised if an individual recently using the Club has tested positive for COVID-19.
- Other actions may be warranted, depending on specific circumstances.

Contact Info.

- Comments, suggestions, and reporting of COVID-19 test information can be made to the General Manager or the Dining Manager.
